COLLEGE AND UNIVERSITY RACIAL/ETHNIC DISTRIBUTION
OF DEGREES CONFERRED

NEW YORK STATE

1986-87

The data summaries contained in this report were obtained from the Higher Education Data System survey form NYSED-2.1, "Degrees and Other Formal Awards Conferred Between July 1, 1986 and June 30, 1987."

Tables 1 through 6 present degrees awarded by level of degree, racial/ethnic category, sex of degree recipient and sector of institution. Racial data presented for City University of New York are based on responses to the Fall 1986 Ethnic Census collection which were then projected to all degrees awarded between July 1, 1986 and June 30, 1987.

Tables 7A through 11B (with the exception of Table 9) show the distribution by sector (Public Special, SUNY, Independent and Proprietary) and level of degrees conferred by racial/ethnic category, sex of degree recipient and subject area. For City University, the racial distributions by subject area were unavailable.

Due to rounding, percentage totals may differ slightly from sums obtained by actually adding component values.
